New Vision Sportster by K-Z is designed for active people like you. Whether you're packing up the family for a week-long adventure or the guys or gals are heading out for a weekend of off road riding, this unit is equipped to take you on great adventures.

37Kx2 shown with Aspen décor and upgraded cherry wood

Pull up a chair at your dining table situated just steps from the kitchen (table and chairs optional).
On your next get-away enjoy more of your time. Prepare meals fast with a high-output range, 22-inch oven, and overhead microwave. The contemporary look of stainless steel appliances is the perfect complement to the rich cherry wood finish.

Because it Rains!
Here at K-Z we know a little bit about camping, actually we know a lot about camping. One thing you can count on, it will rain. We randomly test our K-Z campers from every product line in our state of the art rain booth. The rain may spoil your fun outside, but it won’t inside.
Open sesame... the New Vision Sportster comes standard with spring assisted laminated ramp door (without cables), so you can load your ATV, dirt bike or go-cart on the run. Door can handle 2,500 pound load.
Your comfortable queen bed tucks into an alcove for coziness and a more roomy bedroom (slideout optional).

You can easily see your color TV from anywhere in your living space. TV antenna with booster and CD/DVD player with surround sound system are standard equipment, but you can upgrade to a satellite dish for ultimate entertainment.

Stand-alone sink and wall-mount mirrored medicine chest make efficient use of space in your luxurious master suite.

The attractive cherry wood (optional) vanity is built for ultimate storage so you can take along plenty of supplies.
and dealer-installed accessories. The GVRW is equal to or greater than the sum of the trailer, including the UVW plus passengers, all cargo, personal items, fluids, options – The maximum permissible weight

UNLOADED VEHICLE WEIGHT (UVW) – The typical weight of this trailer as built – The maximum weight of all passengers, personal items, fresh water, food, tools, LP gas, other cargo and dealer-installed accessories* that can be carried by the trailer. NCC is equal to or less than GVWR minus UVW.

* The addition of options will decrease the NCC.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a seasoned veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction.
